Triple A Care

The Australian Asian Association of WA Inc

The Australian Asian Association T/A Triple A Care has historically been a multicultural Aged Care Service Provider, for people from Culturally and Linguistically Diverse (CALD) communities.

We have identified a need for culturally specific services for people with disabilities and their families regardless of their age.

In light of this, we have expanded the scope of our services to include support to individuals with disabilities from the various ethnic backgrounds including support to all Australians who need Disability Support Service.

Our focus is on tailored support to assist the individual to be as independent as possible, to increase their confidence and foster

meaningful friendships
connection with family and
chosen community. We do
our best to provide a support
worker who speaks the same
language as you and comes
from the same or similar
cultural background. We
also roster the same support
worker to provide the service
as far as possible to ensure
continuity.

The Australia Asia House
Day Centre and the bathroom
are located in the ground
floor and is wheel chair
accessible. A lift is available
to access the offices.

Some of the services we provide are:

- Support with daily living tasks which include personal care and domestic tasks such as meal preparation/ cooking, cleaning and shopping.
- Assisting individuals to access the community for social activities.
- Assisting the carer by providing In-Home support/respice so the carer may be relieved to undertake family activities or have a break. We can also assist with out of home activities such as individual or centre-based activities.

Triple A Care

The Australian Asian Association of WA Inc

Triple A Care is now a registered NDIS provider. If you or your family member have a disability and would like culturally specific, services then please get in contact with **Dushy Fernando**, Coordinator Support Services.

Triple A Care recognises and supports people with disabilities. We offer the same opportunities to those with and without disabilities. We use a person centred approach to plan and deliver quality services. Our Day Centre is on the ground floor and easily accessible for people with disabilities. Our clients and their carers are given the opportunity to provide feedback regarding our services.

Information regarding our services is available on www.aaawa.org.au

Triple A Care recognises the importance of carers and their role and uphold the Charter of Rights and Responsibilities.

1. Carers must be treated with respect and dignity.
2. The role of carers must be recognised by including carers in the assessment, planning, delivery and review of services that impact on them and the role of carers.
3. The views and needs of carers must be taken into account along with the views, needs and best interests of people receiving care when decisions are made that impact on carers and the role of carers.
4. Complaints made by carers in relation to the role of carers must be given due attention and consideration.
